

## SINGLE EQUALITIES SCHEME STATEMENT

At St John's School we use the teachings of the Church of England to embed the following core Christian values.

These are:

Friendship

Forgiveness

Trust

and Compassion

These values will underpin the following Policy.

This Statement is reviewed every 4 years by the Headteacher

Date Agreed:	January 2018
Review Date:	January 2022

## **1. OVERVIEW**

1.1 This policy reflects the Single Equality Act 2010 which harmonises and replaces previous legislation including the Race Relations Act 1976, Disability Discrimination Act 1995, Gender Recognition Act 2004 and Sex Discrimination Act 1975. This policy therefore supersedes all previous school policies on Disability, Ethnicity (ie Race) and Gender.

1.2 The Single Equality Act combines the existing three duties into one new Equality Duty that covers all seven of the equality strands: age, disability, gender, gender-identity, race, religion or belief and sexual orientation. In this school we will ensure that at every level, in all our work and throughout all aspects of the school community and its life, everyone will be treated equally. This Single Equality Policy summarises the school's approach in ensuring equality for all.

## **2. OBJECTIVES**

2.1 To ensure that all learners have equal access to a rich, broad, balanced and relevant curriculum.

2.2 To advance equality of opportunity by ensuring that teaching, learning and the curriculum promote equality, celebrate diversity and promote community cohesion by fostering good relations.

2.3 To eliminate any discrimination, harassment and victimisation. To ensure that no-one is unfairly or illegally disadvantaged as a consequence of their age, disability, gender, gender identity, sexual orientation, colour, race, ethnic or national origin, disability or religious beliefs.

2.4 To recognize and celebrate diversity within our school community whilst promoting wider community cohesion.

2.5 To ensure that this policy is applied to all we do

2.6 To ensure that pupils and parents are fully involved in the provision made by the school.

2.7 To ensure that within the school budget, adequate funding is provided to underpin this policy and that intervention, positive and preventative action is funded where necessary.

## **3. GOOD PRACTICE**

3.1 We strive to achieve a cohesive community and expect that children respect one another and behave with respect to one another, and that their parents feel fully engaged in the school. Approved: January 2018 Next Review: January 2022

3.2 We aim to enhance a wider sense of community locally, as well as in the context of the UK and the World communities.

3.3 We support the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998. Through our policies and actions we undertake to ensure that every child and young person is healthy, safe, is able to enjoy and achieve in their learning experience, and is able to contribute to the wider community.

3.4 We consider it prudent and sensible to maintain the practice of logging racist incidents and reporting them to the local authority. We monitor and log incidents that discriminate against children and young people or adults in our school with protected characteristics, eg homophobic bullying. We also monitor and log bullying incidents, particularly those directed towards those with special educational needs.
