- Classify

Key Learning

- We need to look after animals and pets to make sure they stay happy and healthy.
- All animals need food and water to stay healthy.
- Pets need different toys and homes to meet their needs.
- If an animal is poorly we can take them to a vets who can find out what is wrong.
- We can classify (sort) animals into different groups. E.g. Fur or feathers
- People take their pets to pet shows and can win a prize.
