

How can Father Christmas navigate the UK?

<u>Year Group: One</u>	<u>Subject: Design and Technology</u>	<u>Topic: Freestanding Structures</u> <u>UK To design and make a famous landmark from the UK</u>
------------------------	---------------------------------------	---

What will I learn?	Key vocabulary:	
<ul style="list-style-type: none"> What is a structure? That different joining techniques can be used to create strong freestanding structures. How to design and make a strong and stable landmark with a secure base. How to evaluate my design and creation by discussing how well it works. 	cut	fold
	join	fix
	structure	wall
	tower	framework
	weak	strong
How will I learn?	base	top
<ul style="list-style-type: none"> I will ask questions such as, 'What is it?', 'Who is it for?' and 'What is it for?' I will practice measuring, marking out, cutting, shaping, joining and finishing techniques using scissors, tape, glue and paper, new and reclaimed materials. I will practise folding paper or card in different ways to make freestanding structures. I will talk about ways I could improve my landmark. I will learn and understand the technical vocabulary linked to my project. 	underneath	edge
	straight/curved	thinner/thicker
	corner/point	surface
