

Where will Father Christmas put my presents?

<u>Year Group: Two</u>	<u>Subject: Design and Technology</u> <u>(Textiles)</u>	<u>Topic:</u> <u>Design and Make a Christmas Stocking</u>
-------------------------------	--	--

What will I learn?	Key vocabulary:	
<ul style="list-style-type: none"> How to design and make a Christmas stocking for themselves. How to safely use a range of tools and equipment to mark and cut out my pattern and join and finish my product. How to evaluate existing designs of Christmas stockings to help me with my design, possible joining techniques and decoration ideas. How to evaluate my own Christmas stocking against my original design and whether it will hold a small toy. I will learn and understand the technical vocabulary linked to my project. 	design	make
	evaluate	template
	pattern	finish
	fabric	whipstitch
	wadding	wool
	glue gun	felt shapes
	blanket stitch	strength
How will I learn?		
<ul style="list-style-type: none"> I will ask questions such as, 'how many parts will it be made from?', 'How will it be joined?', 'how is it fastened?' I will think about the best fabric to use. I will make drawings of existing Christmas stockings and identify the fabric, fastenings and joining techniques used. I will make a 'mock up' of my design to practice marking out and cutting my pattern pieces.
